Eaton RESA
Snow Removal and Lawn Care Services
Addendum 1
September 14, 2017

Bidders are advised of the following changes/clarifications to the request for proposals released on August 31, 2017.

Bidders must acknowledge receipt of this addendum in their proposal (see page 18) which is due by September 18, 2017 at 2:00 pm local time.

1. Bidders are to include shoveling of sidewalks in the "per occurrence" pricing on page 17 as per item 22 on page 12. The bid form has been revised (and is attached to this addendum) for bidders to specify the cost of clearing the sidewalk only. This would be by special request only and may occur mid-day on a school day when plowing of lots is not feasible.
2. Bidders may include a per hour cost for the removal of snow piles if they elect to do so but must notate the amount is an hourly rate rather that "per occurrence".
3. Bidders are to include the cost to apply herbicide and/or fertilizer. The bid form has been revised (and is attached to this addendum) to allow for this pricing.

PRICING PROPOSAL

SNOW/ICE REMOVAL SERVICES

Proposals shall be on a per "occurrence" basis for each site. Occurrence shall mean one complete plowing of a lot. Proposals should differentiate for increasing volumes of snow as specified below.

LOCATION	**Per Occurrence greater than 1.0" but less than 4.0"**	**Per Occurrence greater than 4.0" but less than 8.0"**	**Per Occurrence greater than 8.0"**
Packard	$	$	$
Southridge	$	$	$
TOTAL	$	$	$

Proposals shall also include per "application" pricing to salt parking lots and sidewalks/walkways. (Note that Contractor shall provide salt and should include it in price quoted below.)

LOCATION	**Amount per application – Parking lots**	**Amount per application – sidewalk/walkways**
Packard	$	$
Southridge	$	$

Use the sum of these amounts to calculate the required bid security – see page 5.

In the event that sidewalks need to be cleared between complete snow removal occurrences, bidders are to indicate the cost of sidewalk clearing only below. This would only be by special request as noted in Addendum 1.

LOCATION	**Per Occurrence – sidewalks/walkways**
Packard	$
Southridge	$
TOTAL	$

In addition, please provide a per occurrence cost to remove/relocate snow piles at each location. (In the event of large snow accumulations, relocation of snow piles <u>on existing sites</u> may become necessary.) Bidders may specify the cost for this work to be completed on an hourly basis by notating so below as per Addendum 1.
