

Eaton RESA 2016-2021 Strategic Plan

MISSION:

Provide and enhance educational opportunities for those we serve.

Goal: Increase the achievement and success of all students within the Eaton Regional Education Service Agency (RESA) service area.

VISION:

Achieve educational excellence through collaborative, responsive, and innovative efforts.

Goal: Increase internal and external stakeholder support for Eaton RESA through comprehensive communications and community engagement efforts.

BELIEFS:

- Accountability
- Diversity
- Shared Leadership
- Flexibility
- Authentic Collaboration
- Continuous Improvement
- Transparent Communication
- Strategic Resource Allocation
- Family Involvement
- Success for All Learners

Goal: Increase capacity for and implementation of shared services based on constituent needs.

Adopted by the Eaton RESA Board of Education, 6/15/2016

Strategic Objectives

What will we do?

Outcomes

How is this demonstrated?

Student Outcomes

- Increase school readiness in the area of early literacy for children transitioning into kindergarten across Eaton RESA
- Increase levels of proficiency for all students on third grade ELA and Math benchmarks across Eaton RESA
- Increase the extent to which students in grades 7-12 are career and college ready across Eaton RESA

- Increase the percent of kindergarten students meeting Literacy benchmarks on their fall universal screening assessment
- Increase the percent of students in third grade who are proficient in ELA on M-STEP
- Increase the percent of students in third grade who are proficient in Math on M-STEP
- Increase the percent of students in grades 7-12 who develop and implement activities within a current Education Development Plan (EDP) that incorporates regional standards

Communication and Engagement

- Improve the image of Eaton RESA through proactive internal and external communication strategies
- Increase the consistency in style and messaging for the Eaton RESA brand
- Increase the effectiveness of horizontal and vertical communication structures within Eaton RESA

- Increase the amount of earned media for Eaton RESA
- Increase the percent of Eaton RESA external stakeholder satisfaction with communications as measured by surveys
- Increase the percent of Eaton RESA employee satisfaction with communications as measured by the employee survey
- Increase social media presence

Shared Services

- Increase the number of districts engaged in various types of shared services with each other and for Eaton RESA
- Increase the amount of shared services being implemented by local districts and Eaton RESA
- Track and improve the quality of shared services and customer satisfaction indicators with shared services provided by Eaton RESA to local districts

- Increase the number of districts and types of shared services being implemented between local districts and Eaton RESA
- Increase the quality of services and customer satisfaction provided by Eaton RESA to local districts with implementation of the new special education funding system
