Eaton RESA COVID-19 Students and Families Expectations

- All students will be required to wear a face covering on the bus and while at school unless they meet the allowable criteria set by administration. The face covering must be replaced or washed on a daily basis.

- Students that present symptoms while at school will be quarantined and be required to be picked up by a parent or guardian. Students will be required to self-quarantine as directed by the local health department or until a negative test result.

- In the case the school is notified of a positive COVID 19 test – families with a possibly impacted student will be immediately notified.

- Students should not share their school supplies with others.

- No extra food beyond lunches will be allowed into the classrooms

- Students should bring their own water bottle for use at school. This water bottle must be washed on a daily basis.

- Students should bring a small bottle of hand sanitizer. Hand Sanitizer will be provided but each student should have their own if they need it.

- Students need to practice social distancing of 6 feet whenever possible.

- Visitors will not be allowed into the school unless there are extenuating circumstances.

- Designated drop-off and pick-up areas will be established outdoors.

- Any student that is high risk for severe illness and requires alternate arrangements please contact your school administrator.
