Common Calendar Requirement:

PA 101 of 2007 mandates that an intermediate school district, in cooperation with constituent districts, shall adopt a common school calendar which applies to all its constituent districts and to the intermediate district programs. The common calendar identifies winter and spring breaks and the first day of school for students for a five year cycle. The Eaton RESA Five Year Common Calendar noted above was approved at a meeting of the Superintendent's Round Table on 5-19-2022 by a unanimous 5-0 vote. It was adopted by the Eaton RESA Board of Education on **6/15/2022**.
